Collinette Series - Ultimate self-massage tools
"collinette", "collinette lymph" and "collinette aile"

Collinette series, made in Japan and of aluminium, will provide you the new level of comfort. Supervised by a massage therapist, The aluminium massage tools are made in Takaoka-shi that is known for its metallic refined production techniques. Each product is hand-polished by skilful craftspeople. A budding designer designed them, inspired by natural surroundings. Each ergonomic curve conforms to your body's contours.
